Dear Dr Hussein K Abdul-Sada, et al.

With respect, I would like to inform you that His Excellency's article entitled "**Evaluation and validation of a new sample collection kit based on RT-PCR for the detection of coronavirus (SARS-COV-2)**" After revision and review by the editorial board, it was accepted for publication in this journal. After editing by the editor, it will be published in future issues. The magazine office is waiting to receive your new articles.

The required corrections will be announced by the editor of the magazine after editing.

Dr. Yadaleh Zahidpasha

Editor in chief of the University Scientific Journal
