Abstract

This Research Tries to Shed light on the United States Position From the Belgrade Conference of the Non-Aligned 1-6 September 1961, as it Shows that the latter was Very Much Interested in that Conference and Tried to Influence the Yugoslav Government Through American Diplomacy so that the Decisions of the Conference in the Interest of the Government of Washington, In Spite of These Attempts, however, US Efforts have been Unsuccessful Because of Tito Pursue a Hostile Policy Toward United States of America and Loyal at the Same Time to the Soviet Policy, Which is Significantly Affected US - Yugoslav Relations During the Subsequent Phase.
