

Lack of Privacy: Stalking, identity theft, personal attacks, and misuse of information are some of the threats faced by the users of social media. Most of the time, the users themselves are to blame as they end up sharing content that should not be in the public eye. The confusion arises from a lack of understanding of how the private and public elements of an online profile actually work.

One of the effects of social media is encouraging people to form and cherish artificial bonds over actual friendships. The term 'friend' as used on social media lacks the intimacy identified with conventional friendships, where people actually know each other, want to talk to each other, have an intimate bond and frequently interact face to face.

6. President Trump's Speech

June 1, 2020: Statement on Protests against Police Brutality

Thank you very much. My fellow Americans: My first and highest duty as President is to defend our great country and the American people. I swore an oath to uphold the laws of our nation, and that is exactly what I will do.

All Americans were rightly sickened and revolted by the brutal death of George Floyd. My administration is fully committed that, for George and his family, justice will be served. He will not have died in vain. But we cannot allow the righteous cries and peaceful protesters to be drowned out by an angry mob. The biggest victims of the rioting are peace-loving citizens in our poorest communities, and as their President, I will fight to keep them safe. I will fight to protect you. I am your President of law and order, and an ally of all peaceful protesters.

But in recent days, our nation has been gripped by professional anarchists, violent mobs, arsonists, looters, criminals, rioters, Antifoam, and others. A number of state and local governments have failed to take necessary action to safeguard their residence. Innocent people have been savagely beaten, like the young man in Dallas, Texas, who was left dying on the street, or the woman in Upstate New York viciously attacked by dangerous thugs.
