

*Class 4*

*Medical chemistry*

*lecture : 1*

**Lecture Title: The importance of living metal ions in saliva and teeth**

This Lecture was prepared by :  
**DR. HUDA MAHDI YOUNIS**

## Objective

- ✓ ***Introduction***
- ✓ ***Composition of saliva***
- ✓ ***Saliva Function***
- ✓ ***Influence of saliva on dental caries***
- ✓ ***General Properties of enzymes***
- ✓ ***Important role of saliva***
- ✓ ***Dental caries development***
- ✓ ***Dynamics Process of De-/Remineralization***

# QUESTIONS

**Dr. Huda Mahdi**
