# Identification of solid aliphatic & aromatic Carboxylic acids

Presented by:  
*Dr. Huda Mahdi Younis*

# *carboxylic acid*

---

## *introduction*

### *Aim:*

#### *General Properties of Carboxylic Acids*

#### *Aliphatic Carboxylic acids*

#### *Aromatic Carboxylic acids*

#### *Acidity test (Sodium carbonate Test)*

---

---

*Distinguish between Aliphatic & Aromatic  
Carboxylic acids*

*Prepare a neutral solution N.S*

*confirmatory experience Distinguish between  
Salicylic acid & Benzoic acid*

*Distinguish between Citric acid Oxalic acid*

# THANK YOU

FOR LISTENING
